CAPABILITIES STATEMENT
SBA 8(A) CERTIFIED**

CAGE - 6QF03
DUNS - 015011439

Mission Statement: It is our mission to serve our federal clients with integrity and manage our projects responsibly as we execute each project with job-specific requirements tailored to fit each of our client's individual needs.

COMPANY OVERVIEW

Sunwest Roofing LLC is a regional commercial roofing company that installs every type of commercial grade roof in the NM, CO, AZ, UT, and West Texas markets.

At Sunwest Roofing LLC, we bring our own supervisors, safety officers, and skilled employees to every Federal Project. All employees are OSHA 10 or OSHA 30. We employ full time safety officers who write our ES&H programs unique to each project. **Their current EMR is .97**
